

This is a full list of active affiliation agreements as of 2/9/2017. Current students can check their pre-practicum resource site for additional in-progress and recently approved agreements. Additionally, please note the expiration date of your agreement. If expiring before the end of your practicum semester, please request your site to initiate a renewal or find alternative placement. New AAs/renewals can take several months to process, depending on the negotiations process.
