## LETTER FROM THE BOARD . . .

Hello Loyola Counseling Department!

Welcome back returning students and faculty, and an especially warm welcome our new cohort of students who are just beginning their journey with this program. Though the next few weeks may feel overwhelming, remember that faculty and returning students are here to support you in any way that we can. Each of you has something unique to offer this program, and I hope that as you start your classes, you can begin to recognize those contributions in each other and in yourselves.

It seems to me that Fall semester always goes by so quickly! Standing here at the beginning of it, I wish for myself and for all of you the ability to stay present as we enter what can often feel like a chaotic time. There will be lots going on both in your classes and outside of them, and for new and returning students alike, remember to take care of yourselves during this time. CSI will be doing all that we can to help in that regard, so keep an eye out for all of our upcoming ways to connect with classmates, give back and get involved. I wish you all the best of luck during the semester!

Sincerely,

Rebecca Ryan

President, Chi Sigma Iota

## NAMI Events

The National Alliance on Mental Illness (NAMI) is an organization that the Loyola Counseling Department and CSI have been supporting for many years. Throughout all aspects of their work, Nami emphasizes de-stigmatization mental illness. NAMI New Orleans provides resources, services, and education to those suffering with mental illness and their families. They also provide valuable education for the community about mental illness and its impact. All of the money that we raise for through our fundraising efforts will go right back into the community. Please join us for the following events and contact Angela Bacigalupo, [ambaciga@my.loyno.edu](mailto:ambaciga@my.loyno.edu), with any questions.

Join us at the NAMI fundraiser at Rock n' Bowl on Sept 22 from 7-9pm. This will be a great way to relax, have fun, and connect with students; all while raising money for a great cause.

The NAMI walk will be held on October 6th, 9am registration, 10am start located in Audubon Park (shelter #10/ Newman Bandstand-across from the zoo). Free zoo passes will be given at the NAMI walk for anyone that raises any amount of money, but the individual must attend the NAMI walk. Come out and join us.

## After Hours Events

Summer after hours even at Madigan's bar. The students were able to relax after summer courses and before exams.

Post Orientation after hours at Wayfare. The new cohort was able to connect with other students.

After hours events are sponsored by CSI and are usually once a month. Everyone is encouraged to attend the after hours events. These events are great for connecting with other students, relaxing after a stressful week, interacting with students in different cohorts, and taking a break from studying.
