

ETHICAL CONSIDERATIONS FOR UTILIZING SOMATIC THERAPIES

Details

WHEN: November 10th, 3pm - 4:30pm CST

WHO: Mental Health Clinicians,
Therapists, Social Workers, PLPCs

CEs: 1.5 credits in NBCC-approved Ethics
CEs for counselors

WHERE: This training will be offered in a
hybrid format. The physical location of
the training is 7214 St. Charles Ave., New
Orleans, LA, 70118. A Zoom link for the
training will be provided upon
registration.

WHY: Combined Cognitive and Somatic
Therapies offer a novel approach
when you feel stuck
with clients.

This training will be
an introduction to
Combined
Cognitive and
Somatic Therapies
(CCST) with ethical
considerations.

Presenter:
Beth Pace, LPC-S

Wise Mind
Behavioral Health
