X. Comments:			
1. In which areas could the supervisee(s) have been more adequately prepared?			
	1	11%	*Respondant opted out of including responses on the web site

	1	11%	It is always a challenge to fully prepare students for the high-level demands of the counseling profession. Students can always spend more time learning how to balance the demands of rigorous academic requirements, personal life, and their new clinical practice.
	1	11%	Theory
	1	11%	*Respondant opted out of including responses on the web site
	1	11%	N/A
	1	11%	- Group work - theory, group dynamics, and implementation - Being on time for supervision and utilizing feedback in a timely manner - Self-care - time management, organization skills, self-assurance, and boundaries - Separating personal self/opinions & professional identity
	3	34%	Not Answered
2. What are the areas where the supervisee(s) were exceptionally prepared?			
	1	11%	*Respondant opted out of including responses on the web site
	1	11%	Loyola students are prepared to handle complex clinical situations with a calm presence and skilled approach. Additionally, their level of preparation to work with a diverse client population is exceptional.
